

# Student Achievement Repository - Admin Guide

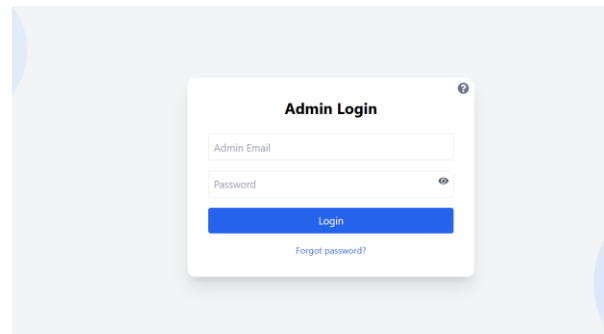

## Objective

This document is designed to help administrators navigate the Department of CSE's Student Achievement Repository. Whether reviewing records or exporting the reports, this guide explains the purpose and functionality of each section in a clear and concise manner.

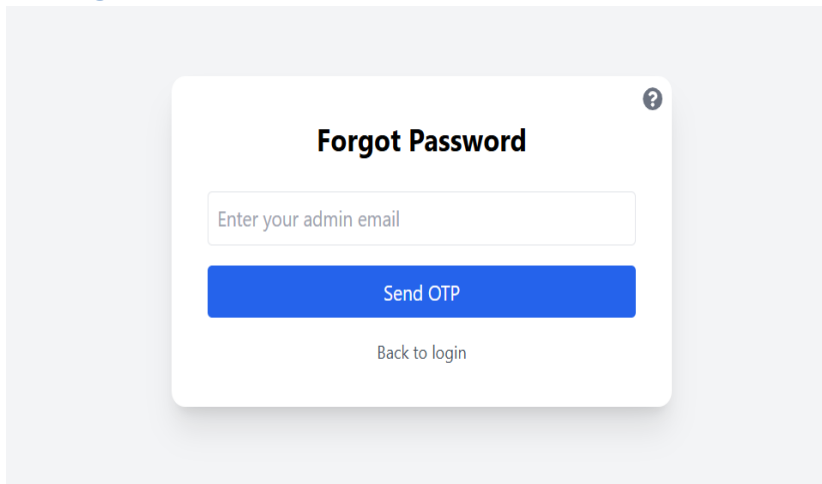

## 1. Home Page

The landing page appears before login. It contains quick links to:

- Login: Select your role (Admin) and sign in using your registered credentials.
- Upon successful login, users are redirected to their respective dashboards based on their role.

## 2. Forgot Password

The steps include:

- Enter your registered email address.
- A reset link will be sent to your email.
- Create a new password using the link, then log in with the updated credentials.

### 3. Admin Dashboard

Upon logging in, admins have access to:

- Student Records: View all registered students and their submitted achievements.
- Filters and Search: Filter records by batch, year, or category.
- Export Data: Download data in Excel or PDF format.
- Upload Excel: Add multiple student records using a predefined Excel template.
- ZIP Download: Download the supporting documents of the filtered students as a ZIP.
- View Submissions: Review individual student records.

- ☐ Internships
- ☐ Placement
- ☐ Higher Education
- ☐ Competitive Exams
- ☐ Course
- ☐ Achievements (Co-Curriculum)
- ☐ Participation
- ☐ Extra-Curricular Activities

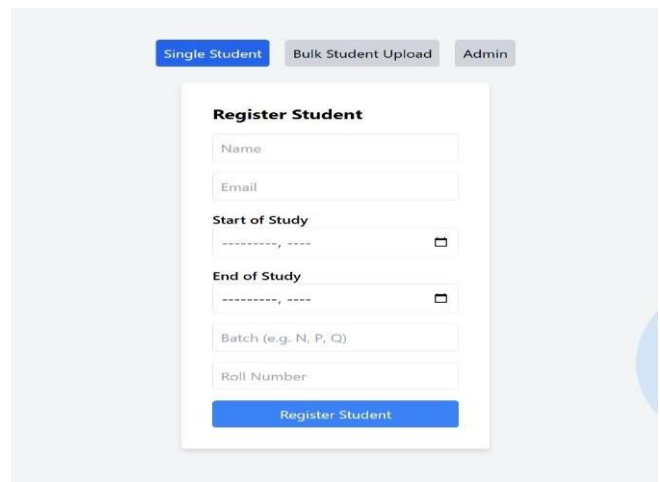

[Cancel](#)[Download](#)

#### 4. Registration

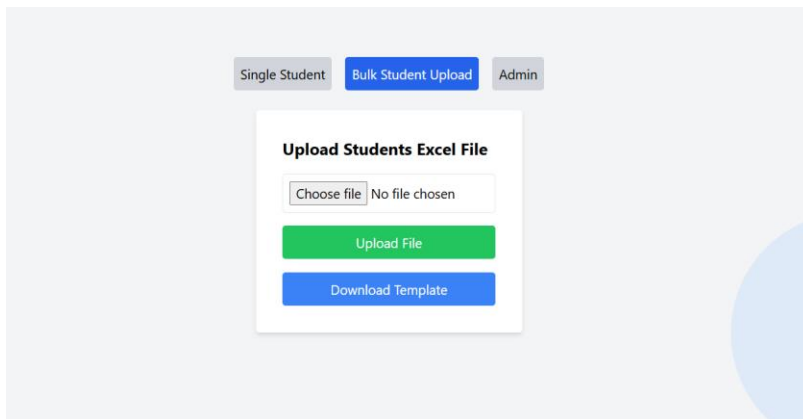

- Admins can register other admins individually, and students either individually or in bulk by uploading an Excel file. Ensure that the fields in the file match the required format.
- Admins can also upload student achievement records in bulk using the Excel upload feature:
  - Use the template to ensure the correct format.
  - Upon successful upload, the records will be displayed on the dashboard for review and further actions.

The 'Register Admin' form is located under the 'Admin' tab. It contains three input fields: 'Name', 'Email', and 'Employee Number'. Below these fields is a purple button labeled 'Register Admin'.

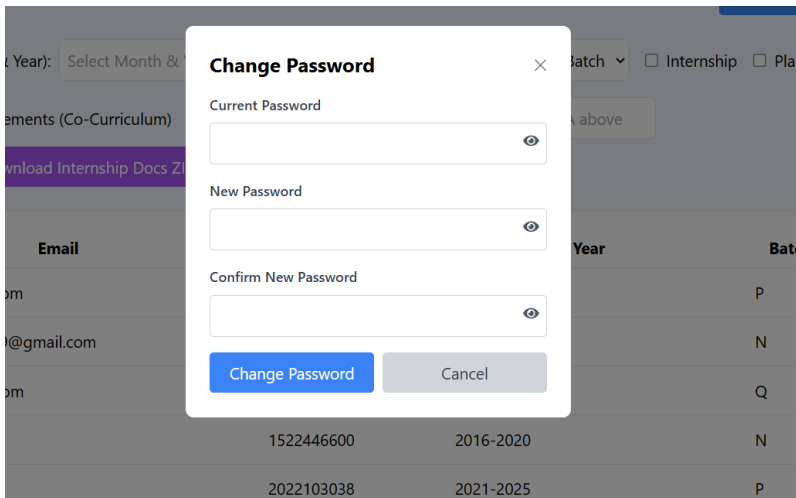

The 'Register Student' form is located under the 'Single Student' tab. It contains input fields for 'Name', 'Email', 'Start of Study' (with a calendar icon), 'End of Study' (with a calendar icon), 'Batch (e.g. N, P, Q)', and 'Roll Number'. Below these fields is a blue button labeled 'Register Student'.

The 'Upload Students Excel File' form is located under the 'Bulk Student Upload' tab. It features a file selection area with a 'Choose file' button and the text 'No file chosen'. Below this are two buttons: a green 'Upload File' button and a blue 'Download Template' button.

## 5. Change Password

A screenshot of a web application interface showing a 'Change Password' modal form. The modal is white with a close button (X) in the top right corner. It contains three input fields: 'Current Password', 'New Password', and 'Confirm New Password', each with a toggle icon (eye) to the right. Below the fields are two buttons: 'Change Password' (blue) and 'Cancel' (grey). The background is a blurred view of a dashboard with various filters and a table.

- Select the **"Change Password"** option.
- Enter your **current password**, then your **new password**, and confirm it.
- Click **Change Password**.

## 6. Logging Out

Use the 'Logout' button on the top right corner of your dashboard to end the session securely.

## 7. Quick Tips

- Utilize filters and search to efficiently navigate large datasets.
- Contact the department coordinator for technical support or suggestions.
